## Principal's Message

### Leadership Habit

#### Habit 7 – Sharpen the Saw:

Sharpen the Saw means preserving and enhancing the greatest asset you have--you. It means having a balanced program for re-energising yourself in the four areas of your life: physical, emotional, mental, and spiritual. Feeling good doesn't just happen. Living a life in balance means taking the necessary time to renew yourself. It's all up to you. You can renew yourself through relaxation.

### Changes to School Development Days for 2021

In order to support a strong start to 2021, the NSW Department of Education has changed the schedule for the distribution of five School Development Days (SDD) throughout 2021.

As a result, there will now be two SDDs **at the beginning of Term 1**. As a consequence, there will only be one SDD at the end of Term 4 **2021**. There will be no change to the allocation of one SDD at the commencement of Terms 3 and 4 2021.

For Term 1, 2021, the NSW School Development Days are scheduled for 27 and 28 January – **with Years 1-6 students returning Friday 29 January 2021**.

For Kindergarten students, their first day of school will be Wednesday 3 February 2021.

Refer to 2021 NSW term and vacation dates for more information.

The amendments follow extensive consultation with the NSW Teachers Federation (NSWTF), NSW Primary Principals' Association (PPA) and the NSW Secondary Principals' Council (SPC).

### Thank You

Thank you to our P&C for their amazing support of our Halloween activities last Friday.

The Halloween Treats looked incredible and the children had a fabulous day --- their joy and excitement shone through all of the photos. Check out our Facebook page!

Thank you to our teachers and parents for your support. Huge thanks to Miss Pizarro and Mrs Curran for organising such a wonderful celebration for the children.

Thank you, also, to Miss Pizarro for organising our Book Week celebrations last week. The children loved the daily activities – which not only encouraged a love of reading, but also taught them the power of their thank you to creativity and imagination.

Finally, thank you to our great Year 6 students. Last week, I facilitated a 2-day leadership workshop with the class. I was very impressed by the calibre of their thinking, citizenship and leadership values. Well done to our parents and Mrs Curran for the great job you've been doing with our Year 6 students.

Wishing you all a wonderful fortnight of learning.

### Warmly

## STAGE UPDATES

### Assistant Principal's Message – Early Stage 1 & Stage 1

#### KZG

KZG had so much fun celebrating Halloween.

Everyone made a huge effort to dress up and take part in some spooky dancing in the Hall. What a fun Halloween.

#### 1N

During the first few weeks back at school 1N have been looking at imaginative texts.

During a literacy lessons in week 3, students showed their ability to use a narrative structure to create short stories about the beach. After revising their work, students went back and included an array of additional descriptive language to bump up the quality of their work.

Mr Nunan is very impressed with the level of effort students have put into their writing this term!

## 1/2A

In 1/2A, our focus text has been 'The Snail and the Whale' this week.

We began our journey through the text by discussing Julia Donaldson and other texts we know by her. We then sequenced the story and 'magpied' some of her interesting language to use when we retell the story next week. Watch this space for some wonderful stories next time!

In Maths we have been looking at data collection.

Each child wrote a question and then surveyed the class for a yes or no answer. The questions ranged from 'Do you like cheeseburgers?' to 'Can you do a handstand?'

The children then gathered their findings in a tally chart and presented them to the class.

## 2R

2R have been working so hard in Maths over the past few weeks!

They have been using the dominos for a variety of maths games!

### The Living Egg cycle of a Chicken

We have the Living eggs visiting us at the moment and the pleasure of watching 7 chicks hatch from their eggs.

Mrs North numbered our eggs, in this way we were able to predict which one might hatch first but also enables the children to learn number recognition from 1 to 10. Lots of us referred back to the poster showing what is happening inside the egg. It is a day by day account of the changes to the chick as it grows in 21 days.

Mrs North took one out and it had a tiny pinhole crack. She placed the egg up against the children's ear and the children could hear it chirping. We learnt that Male means boy and Female means girl. We also learnt a female Chicken is a Hen and a male Chicken is a Rooster. Children were exposed to new vocabulary such as the incubator and brooder box. We have been cleaning the brooder box, changing water and giving them food every day.

The children have been keeping a diary and an account of our chickens, this will go in the children's individual portfolio. We played a sequence game and learnt that sequence means in order from the first thing to the last, the sequence pictures show an egg, a chick and an adult hen.

On Tuesday and Friday for Halloween, we had another fun dress up day. Thanks for making a gold coin donation.

**Mrs G Condello**  
**Preschool Educator**

### Assistant Principal's Message – Support

Students in K-2G and K-2K have been learning about Australian animals.

We researched and discussed the main features, diet, home and some interesting facts about emus and wombats.

They had fun creating a visual report of their findings and presenting the information to the class.

## Super Kids Breakfast Club

Super Kids Breakfast Club is currently closed.

We will keep you updated with re-opening times.

## Important Reminders

### ALLERGY ALERT

In the interests of the health and safety of all our students please ensure that your child does not bring anything to school for recess or lunch which contains nut and/or egg products. This will include peanut butter or Nutella spread on sandwiches, peanut butter dippers, snack packs with nuts and nut muesli bars.

Your understanding and support in this very important health issue are greatly appreciated.

### SCHOOL HOURS

Children **ARE NOT** to be at school BEFORE 8.30am each morning and **must be collected at 3.00pm** each afternoon. Should your child need to be at school EARLIER than 8.30am or need to be collected LATER than 3.00pm, it is necessary for you to arrange for your child to be taken to **Out of Hours School Care** that is located on our premises. This is run by Wesley Out of School Hours Care and their contact number is 9626 1260.

## Positive Behaviour for Learning

## Health and Safety Matters

As well as keeping our staff and students safe on school grounds we aim to maintain a safe environment for parents. If you have a slip, trip or fall or any other issue related to parent safety in the school grounds please notify the office as soon as possible so we can endeavour to identify and resolve any hazards.

It is also a request that dogs not be brought onto the school site without prior permission. Companion dogs are always welcome as required, however pets in the school can cause stress to students and animals.

### Staff Car Park

A reminder to parents/caregivers. The Staff car park IS NOT a 'walk through' area or parking for area for parents.

Safety is of the utmost importance to our students and it would be appreciated if you would cooperate in regard to safety in our car park.

### Student Toilets

Just a friendly reminder that student toilets are **not to be used** by parents. If parents have a younger child that requires toileting assistance, please see the office staff to access the toilets located beside the new school hall.

Student toilets are to be used by **students** of Seven Hills West PS.

## Changes of Clothes

Children in Kindergarten to Year 2, can, on occasion, have an 'accident' by forgetting to go to the toilet at break time, or not advising the teacher that they need to go to the toilet.

This then results in children 'wetting' themselves and coming to the office for a spare change of clothes.

Our supplies are now depleted – so we ask that each parent with children in Kindergarten to Year 2 supply a change of clothing in their child's bag in case of emergencies.

Additionally – our supplies for Years 3-6 have also depleted (shorts/skorts/shirts/underwear).

Any donations of clothing (not jumpers) for students K-6 would be greatly appreciated.

We thank you for your support in this matter.

**SHWPS Administration Office**

### Birthday Cakes

Until further notice – birthday cakes/lolly bags/party bags (including party favours bags) and ANY shared foods ARE NOT permitted.

We will keep you updated with when this can begin again.

## Notes and Payments

Please be advised that all school notes and written communication are now placed on our website for your easy access. Families that have requested multiple copies will now need to access the website. We are encouraging the use of technology @ SHWPS!

### Important

It would be appreciated, if when completing permission notes, you could include **the child's FULL NAME (Given Name and Surname) AND CLASS**, in order for the office to correctly identify the student who is participating in the special activity.

## Sending money to school

If paying by cash or cheque, payment envelopes are available to allow office staff to quickly record details for our students.

**A reminder: A permission note must be completed for every student in the family for all activities. Please note the office does not carry change. Please provide the correct money with your payments. We encourage families to pay using our POP – Payment online system via our school website.**

## Collection of Money and Permission Notes

To ensure that students' needs are met on excursions, extra curricula activities and for visiting performances, it is necessary to have procedures in place regarding payments and permission notes. These procedures allow teachers to:

- Ensure that the correct number of teachers are allocated to an activity or excursion
- Buses are ordered for the right number of students
- Book correct numbers for all activities on excursions
- Organise supervision for students not involved in these activities
- Cancel activities if numbers are too low, within a reasonable timeframe.

It will also allow the office staff to have correct numbers, permission notes and money organised before the day of the activity or excursion.

These procedures include any area where money is paid to the school e.g. Excursions, visiting performances, sporting events, book club etc.

For this to be implemented correctly all money must be paid to front office by the DUE DATE, there will be no exceptions.

**Permission notes, fully completed with child's name and class, must be given to the front office once you have made your payment online, or at the same time as money is presented.**

In cases of financial hardship, the school may be able to assist by contributing a part payment.

Please contact the office for more information.

## Attendance

Student attendance records will be closely monitored. If your child is absent, it is important that a note/certificate explaining their absence is given to the classroom teacher when your child returns to school. Parents/Carers will be given a letter if an explanation is not provided for the student's absence and this must be completed and returned to the classroom teacher so that the student's attendance records will be updated accordingly.

## Student Absences

**The Department of Education deems that all students must attend school every day. Families are also advised that holidays should be taken during school holiday periods.**

If your child is absent from school please notify the school in writing by either sending an email to the school email or sending a note to the class teacher explaining the absence.

**If your child is sick for one day, you DO NOT need to ring the school but can send a note to school with your child on the following day.**

Absences are recorded in the class roll and this roll is admissible as evidence in a court of law.

- Partial absences are also recorded in the roll, where a child arrives late to school or leaves school early.
- If a student is late to school, a parent should escort them to the office so they can give the reason for the late arrival.
- Students, who are constantly late to school, miss the morning lesson introduction and this can lead to gaps in learning.

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 1/2 years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 1/2 years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed... Every day counts!

Please endeavour to maximize your child's attendance at school to ensure that they have the best start possible, every day!

If you are intending to take leave for more than three days, and you know in advance, it is important that this be discussed with the school as an application for leave may be required. If your child is absent for longer than three days it is important that you contact the school to let them know the reason for the absence.

## Working with Children Check
