LEADERSHIP HABIT FOR THE FORTNIGHT

Habit 1

Be Proactive: I have a “Can Do” attitude. I choose my actions, attitudes and moods. I don’t blame others. I do the right thing without being asked, even when no one is looking

qualities are the reasons why we equally balance the academic and affective domains of learning at our school.

Growing great human beings every day is our school ethos!

Principal’s Message

Dear Parents/Carers

Congratulations to our Year 3, 4, 5 and 6 students who participated in the Check-In Assessments and NAPLAN online during the past four weeks. I would also like to say thank you to all parents, carers and teachers who have supported our students’ learning throughout their time at Seven Hills West Public School. It takes a village to raise a child and together, we have contributed to our students in doing their educational best.

No matter how our students or school results in NAPLAN, please know that the assessment focuses purely on literacy and numeracy – not the other curriculum subjects or their personal qualities. I am confident that the programs that we have introduced since last year: The Leader in Me program, whole school Science/STEM program, transdisciplinary Future Focused Learning in the Library, early intervention literacy and numeracy groups P-6, and high potential and gifted learning extension programs are going to support our students in achieving lifelong success as learners.

There are a vast number of personal qualities that lead to great achievements that NAPLAN does not measure. These personal

Technology Upgrade

Since last year, our school has implemented a Technology Upgrade to ensure our infrastructure can accommodate future focused learning programs and digital technologies.

In Term 4, we purchased 40 Chrome Books to set up a school Technology Hub. In Term 1, we purchased an additional 20 laptops to support online digital assessments. This term (Term 2), we conducted a tender process for an ICT network upgrade. Construction work will commence for the system upgrade in the final week of term and by the start of Term 3 we will have a fully functioning technology system. The estimated costs for the technology upgrade and resources is approximately \$100,000.

Our school focus has been on quality learning, the safety of our students and their joy when they walk around the playground. The new technology resources, playground markings, security fence, curriculum and online homework programs has contributed to every child feeling happy, safe and engaged in their learning at school.

Parent Workshops – The Leader in Me Program (9.15am – 16th June in the Exec Hub)

With the 2021 implementation of The Leader in Me program, we will be running a parent session on The Leader in Me program and 7 Habits For Highly Effective People on Wednesday 16th June at 9.15am in the Executive Hub. The workshop will focus on ways to support the program at home. If you are keen to attend this parent workshop, please let us know via this SurveyMonkey link:

Community consultation to vary the Term 3 School Development Day

We are hoping to get parent endorsement of varying our Term 3 School Development day from Monday 12th July to Friday 17th September.

Our staff would like to conduct The Leader in Me Core 2 program on the Term 3 School Development Day, but the facilitators are unable to run the session July 12th.

Could you please provide feedback on whether you endorse the Term 3 School Development Day variation request to September 17th (the last day of Term 3)?

This means that students will return to school for Term 3 on Monday July 12th (not Tuesday July 13th), and that Friday September 17th will be a pupil free day. With the variation, the last day of school for students will be Thursday September 16th for Term 3.

The link to the community consultation survey is:

<https://www.surveymonkey.com/r/SYGVXWX>

If you could provide your feedback by Wednesday 2nd June, it would be most appreciated.

Automated Pedestrian Gate 1

Our new automated pedestrian gate at Gate 1 is now in operation.

Please be aware that Gate 1 will be open from 8am to 9.30am and 2.30pm to 3.30pm daily.

Should you need to enter the school at other times during the day – please press the buzzer – wait for the Admin office to respond – then wait until the gate opens before entering.

Please DO NOT push or pull on the gate.

You will also need to press the buzzer when exiting and wait for the Admin office to respond – again, please wait until the gate opens before exiting.

Attendance

Student attendance records will be closely monitored. If your child is absent, it is important that a note/certificate explaining their absence is given to the classroom teacher when your child returns to school. Parents/Carers will be given a letter if an explanation is not provided for the student's absence and this must be completed and returned to the classroom teacher so that the student's attendance records will be updated accordingly.

Student Absences

The Department of Education deems that all students must attend school every day. Families are also advised that holidays should be taken during school holiday periods.

If your child is absent from school please notify the school in writing by either sending an email to the school email or sending a note to the class teacher explaining the absence.

If your child is sick for one day, you DO NOT need to ring the school but can send a note to school with your child on the following day.

Absences are recorded in the class roll and this roll is admissible as evidence in a court of law.

- Partial absences are also recorded in the roll, where a child arrives late to school or leaves school early.
- If a student is late to school, a parent should escort them to the office so they can give the reason for the late arrival.
- Students, who are constantly late to school, miss the morning lesson introduction and this can lead to gaps in learning.

EVERY DAY COUNTS...
A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best year child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 1/2 years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 1/2 years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed... **Every day counts!**

Please endeavour to maximize your child's attendance at school to ensure that they have the best start possible, every day!

If you are intending to take leave for more than three days, and you know in advance, it is important that this be discussed with the school as an application for leave may be required. If your child is absent for longer than three days it is important that you contact the school to let them know the reason for the absence.

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Make friends
- Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	4 weeks	Over 1 year missed
1 day per week	8 weeks	Over 2.5 years missed

STAGE UPDATES

Preschool

Happenings - Fundamental movement skills

In Term 2 Preschool has been focusing on building our fundamental movement skills (FMS) as we learn different skills to be active and for sports as we get older.

We have been practicing running and jumping – on the spot or with direction.

At Preschool we have been learning through play as we learn these skills through games - What's the time Mr Wolf; Duck, Duck Goose; Songs – the popcorn song and racing our friends.

We have been learning to jump with direction as we move both sides of our bodies – we had to jump over the hurdles and along the hopscotch.

Maybe you might like to play these games at home? We look forward to learning new FMS skills – leaping and hopping over the next few weeks.

Thank you for reading,

Miss Natalie Roche and Mrs Sharon North
Early Childhood Teacher

Early Stage 1

Kindergarten enjoyed celebrating Simultaneous Story Time last week! They made their own rockets and had a surprise visit from a little intergalactic astronaut.

Stage 1

1N

This week in 1N we have been finalising our learning on imaginative texts for semester one.

The progress students have made from Term 1 to Term 2 is something they should all be proud of in this regard.

Relating to imaginative texts, 1N participated in simultaneous story time where they listened to an astronaut read a story from outer space. To celebrate this occasion, they created origami rocket ships/planes while discussing their favourite parts of the story and questions they had about living on a space station.

Great work 1N!

Mr Nunan – Class Teacher

Stage 2 and 3

6C has been writing descriptive paragraphs using figurative and descriptive language. Can you spot the figurative and descriptive language techniques we have used?

We hope you enjoy our writing!

Like a lamb to the slaughter, I climbed into the rocket preparing for a bumpy ride. I fumbled with the seatbelt, it broke in my flurry, my furious, frustrated face broke into a huge sweat. I gripped the handle so tight my hands hurt. When I first saw the ride I thought it was awesomely-terrifying. I heard the engine roar, this is going to be the end, "I want to get off," I bellowed. Grrr, the wheels whirred, we zoomed along the track, we were nearing the brink where we would dive. I suddenly wished that I had not stuffed myself with those hotdogs, something was coming up. Deep down in the depths of my stomach a monster had reawakened in a fury, it fought to escape the cage it was imprisoned inside. I closed the shutters of my eyes, they flew open. The clouds mocked me, how they giggled. Dots circled round me, my vision faded eventually it was pitch black. "Honey, are you okay?" a distant but familiar voice questioned.

By Niya

My hair danced in the strong wind and my tummy twisted as the ride went on. It felt as if someone was stealing my excitement and in return left me with fear. The ride became fast and my body stopped. The wind became fiercer as if it could my fear. Suddenly, it slowed down and finally I took a breath after a long fearful silence. By

By Eknoor

Click Clack Click! My fingernails were at the brink, my legs were shivering, the palm of my hands were sweaty. I thought to my mind that this is the end of my LIFE. The wheels were turning and at the moment my food was flying and become the new superman. Suddenly, at the brink of the rollercoaster I was nauseous and my insides flew up into the cerulean sky, like a rocket. AAAHHH! Deep down in the depths of my stomach was a vomit monster lurking to escape the prison. When the ride finished it was like getting on was a piece of cake but getting off was a whole other story!

Ms S Curran – Rel. Assistant Principal/Class teacher

Support Unit

We have been working hard in 3/6C to improve our story writing and have enjoyed choosing different settings and characters each time.

We have explored the use of adjectives to describe these characters and settings and watched how they make our introduction more exciting.

Esala used a variety of senses to write a brilliant description of Fiji.

One of our favourite things to do is to think of problems and work out how our characters will resolve them.

Children in our class have written stories about Harry Potter kidnapping them, true love in a castle in the woods, a quest for wolf eggs and a dragon that turned into gold!

It has been great seeing everyone's imagination at work!

Miss J Baines – Class Teacher

SRC

This week, SRC members met to discuss their progress and ideas they had for the school development.

Specifically, they brainstormed performances which classes of our school could use as items during assemblies that relate to the 7 Habits of highly effective people.

The creativity and originality that students showed in their ideas was exceptional. Their ability to collaborate with those in

younger or older stages was also highlighted and something the SRC coordinators are very impressed with.

PSSA REPORT

There were some very excited students as we headed out to our first PSSA matches since before COVID.

This year we have Junior (Year 3 & 4) and Senior (Year 5 & 6) teams participating in Soccer & Netball.

For a lot of these students they have never played the sport before and it is very exciting for Miss Pham and Miss Cole to share our enthusiasm for these sports and watch these amazing SHW students have a go at something new to them.

Netball

Unfortunately the rain got the better of us and we only played the first quarter before it was decided to cancel the rest of the games. Both our Junior and Senior netballers had made a good start to their games against Seven Hills North Public School and are looking forward to next week; hopefully there will only be sunshine!

Soccer

Although the weather was against us, we powered through and were able to play both games. Both Junior and Senior boys soccer teams had a tough loss against Vardys Road Public School. I want to praise all players for showing great determination throughout the games and for demonstrating great sportsmanship. We showed a lot of potential and we can only grow as a team!

Important Reminders

ALLERGY ALERT

In the interests of the health and safety of all our students please ensure that your child does not bring anything to school for recess or lunch which contains nut and/or egg products. This will include peanut butter or Nutella spread on sandwiches, peanut butter dippers, snack packs with nuts and nut muesli bars.

Your understanding and support in this very important health issue are greatly appreciated.

SCHOOL HOURS

Children **ARE NOT** to be at school **BEFORE** 8.30am each morning and **must be collected at 3.00pm** each afternoon. Should your child need to be at school **EARLIER** than 8.30am or need to be collected **LATER** than 3.00pm, it is necessary for you to arrange for your child to be taken to **Out of Hours School Care** that is located on our premises. This is run by Wesley Out of School Hours Care and their contact number is 9626 1260.

Positive Behaviour for Learning

Health and Safety Matters

As well as keeping our staff and students safe on school grounds we aim to maintain a safe environment for parents. If you have a slip, trip or fall or any other issue related to parent safety in the school grounds please notify the office as soon as possible so we can endeavour to identify and resolve any hazards.

It is also a request that dogs not be brought onto the school site without prior permission. Companion dogs are always welcome as required, however pets in the school can cause stress to students and animals.

Staff Car Park

A reminder to parents/caregivers. **The Staff car park IS NOT** a 'walk through' area or parking for area for parents.

Safety is of the utmost importance to our students and it would be appreciated if you would cooperate in regard to safety in our car park.

Student Toilets

Just a friendly reminder that student toilets are **not to be used** by parents. If parents have a younger child that requires toileting assistance, please see the office staff to access the toilets located beside the new school hall.

Student toilets are to be used by **students** of Seven Hills West PS.

Changes of Clothes

Children in Kindergarten to Year 2, can, on occasion, have an 'accident' by forgetting to go to the toilet at break time, or not advising the teacher that they need to go to the toilet.

This then results in children 'wetting' themselves and coming to the office for a spare change of clothes.

Our supplies are now depleted – so we ask that each parent with children in Kindergarten to Year 2 supply a change of clothing in their child's bag in case of emergencies.

Additionally – our supplies for Years 3-6 have also depleted (shorts/skorts/shirts/underwear).

Any donations of clothing (not jumpers) for students K-6 would be greatly appreciated.

We thank you for your support in this matter.

SHWPS Administration Office

Birthday Cakes

Until further notice – birthday cakes/lolly bags/party bags (including party favours bags) and ANY shared foods ARE NOT permitted.

We will keep you updated with when this can begin again.

Notes and Payments

Please be advised that all school notes and written communication are now placed on our website for your easy access. Families that have requested multiple copies will now need to access the website. We are encouraging the use of technology @ SHWPS!

Important

It would be appreciated, if when completing permission notes, you could include **the child's FULL NAME (Given Name and Surname) AND CLASS**, in order for the office to correctly identify the student who is participating in the special activity.

Sending money to school

If paying by cash or cheque, payment envelopes are available to allow office staff to quickly record details for our students.

A reminder: A permission note must be completed for every student in the family for all activities. Please note the office does not carry change. Please provide the correct money with

your payments. We encourage families to pay using our POP – Payment online system via our school website.

Collection of Money and Permission Notes

To ensure that students' needs are met on excursions, extra curricula activities and for visiting performances, it is necessary to have procedures in place regarding payments and permission notes. These procedures allow teachers to:

Ensure that the correct number of teachers are allocated to an activity or excursion

Buses are ordered for the right number of students

Book correct numbers for all activities on excursions

Organise supervision for students not involved in these activities

Cancel activities if numbers are too low, within a reasonable timeframe.

It will also allow the office staff to have correct numbers, permission notes and money organised before the day of the activity or excursion.

These procedures include any area where money is paid to the school e.g. Excursions, visiting performances, sporting events, book club etc.

For this to be implemented correctly all money must be paid to front office by the DUE DATE, there will be no exceptions.

Permission notes, fully completed with child's name and class, must be given to the front office once you have made your payment online, or at the same time as money is presented.

In cases of financial hardship, the school *may* be able to assist by contributing a part payment.

Please contact the office for more information.

EXPRESSION OF INTEREST FOR PRESCHOOL 2022

If you have a child, or know of someone in the area (a neighbor, friend etc) who has a child turning 4 in 2022 (born BEFORE 31ST JULY 2018) - please phone our office on 9622 2136, to place the child's name on our waiting list.

Expressions of interest are then considered by a Placement Panel during Term 3, and should you be successful, you will be contacted by the school to come and collect an enrolment form.
