LEADERSHIP HABIT FOR THE FORTNIGHT

Habit 2

Begin with the End in Mind: I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my family and contribute our family's mission and vision, and look for ways to be a good citizen.

Principal's Message

YOU CAN SIT WITH ME

On Friday 4th June, Seven Hills West Public School launched the YOU CAN SIT WITH ME program and celebrated their annual kindness day.

YOU CAN SIT WITH ME is an inclusive and kindness campaign for students across schools. Students wear a simple wristband with a life changing message: YOU CAN SIT WITH ME. By wearing this wristband, they show that they welcome anyone to sit with them and that they are inclusive.

YOU CAN SIT WITH ME fosters and strengthens friends with children of all grades and ages. Here are some great photos of our students showing kindness to each other as they celebrated acts of care, friendship and compassion across our school.

Australian Theatre for Young People – On Demand Launch

This week, Seven Hills West Public School has been invited to the media launch of the Australian Theatre for Young People 'On Demand Plus' program.

Miss Cole, Mrs Curran, Mrs Mortlock and Miss Roach have been piloting the program during Term 1 and Term 2.

The Australia-wide primary school program provides teachers with access to a catalogue of detailed, multi-week units of work that link to the HSIE, Drama and Literacy curriculum. The program is designed to run across Preschool to Year 6 classes.

Our school has been excited to pilot this innovative education program with our students. The kids love the engaging learning and the wonderful opportunity to work collaborative with their classmates in drama activities.

Congratulations to Miss Cole and 5C who were filmed as part of the Australian media launch for the program. This recognition highlights the wonderful quality of teaching and learning we provide at our school.

Blacktown Learning Community – Learning Exchanges

This Thursday 10th June, Seven Hills West Public School will be hosting colleagues from the Blacktown Learning Community of Schools to conduct Learning Exchanges and training in Instructional Practices Inventory.

The BLC Learning Exchanges are an opportunity for Principals, Senior Leaders and Middle Leaders to connect, collaborate

and create exciting learning exchanges across our community of schools. The aim is to align the Visible Learning research and What Works Best Toolkit, through the use of Instructional Practices Inventory (IPI) learning walks.

All staff at Seven Hills West Public School are trained in how to use IPI in the classroom and it is exciting that we can share our knowledge with other schools.

The aim of the BLC Learning Exchanges are:

- To introduce a way to evaluate Visible Learning and student engagement in the classroom
- To improve teaching skills that enhance higher order student learning and deep knowledge
- To support school leaders in using IPI rounds in their schools
- To improve the quality of school-wide evaluation of lesson observations and learning walks

We look forward to running the workshop and supporting our BLC schools in learning about IPI and participating in the learning exchanges.

Automated Pedestrian Gate 1

Our new automated pedestrian gate at Gate 1 is now in operation.

Please be aware that Gate 1 will be open from 8am to 9.30am and 2.30pm to 3.30pm daily.

Should you need to enter the school at other times during the day – please press the buzzer – wait for the Admin office to respond – then wait until the gate opens before entering.

Please DO NOT push or pull on the gate.

You will also need to press the buzzer when exiting and wait for the Admin office to respond – again, please wait until the gate opens before exiting.

Attendance

Student attendance records will be closely monitored. If your child is absent, it is important that a note/certificate explaining their absence is given to the classroom teacher when your child returns to school. Parents/Carers will be given a letter if an explanation is not provided for the student's absence and this must be completed and returned to the classroom teacher so that the student's attendance records will be updated accordingly.

Student Absences

The Department of Education deems that all students must attend school every day. Families are also advised that holidays should be taken during school holiday periods.

If your child is absent from school please notify the school in writing by either sending an email to the school email or sending a note to the class teacher explaining the absence.

If your child is sick for one day, you DO NOT need to ring the school but can send a note to school with your child on the following day.

Absences are recorded in the class roll and this roll is admissible as evidence in a court of law.

- Partial absences are also recorded in the roll, where a child arrives late to school or leaves school early.
- If a student is late to school, a parent should escort them to the office so they can give the reason for the late arrival.
- Students, who are constantly late to school, miss the morning lesson introduction and this can lead to gaps in learning.

EVERY DAY COUNTS.... A day here or there doesn't seem like much, but...				
When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 1/2 years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 1/2 years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!

Monday
Tuesday
Wednesday
Thursday
Friday
Saturday
Sunday

Please endeavour to maximize your child's attendance at school to ensure that they have the best start possible, every day!

If you are intending to take leave for more than three days, and you know in advance, it is important that this be discussed with the school as an application for leave may be required. If your child is absent for longer than three days it is important that you contact the school to let them know the reason for the absence.

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Make friends
- Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	4 weeks	Over 1 year missed
1 day per week	8 weeks	Over 2.5 years missed

Deputy Principal's Message

You Can Sit With Me

You Can Sit With Me inclusive and kindness campaign was well received by our students and it was much appreciated to see our families support this through dressing in or adding a touch of yellow to the day!

Our staff had the children make wristbands and write lovely messages in chalk which you can see more photos through our Facebook page.

Aboriginal Education

This term, Ms Clements and myself met with our Aboriginal Education and Wellbeing Officer, Les Pitt, where we discussed professional learning for our staff in the term ahead on Personalised Learning Plans, Aboriginal Perspectives within our teaching and learning programs and linking our Acknowledgement of Country with caring for our Seven Hills West Public School environment.

As we have just taken part with Reconciliation Week activities, our school will be hosting an Aboriginal performer in Week 10 for NAIDOC Week.

We also have staff engaging as members of our local AECG meetings and are attending the Kimberwalli Centre later in the term. I look forward to sharing our professional learning updates with you all over the next few terms.

Mrs K Gardiner
Deputy Principal

STAGE UPDATES

Preschool

Warimi

The Wombats and Emus have been learning about the Darug people, 'Sorry day' and reconciliation week. We have been reading different Aboriginal and dreamtime stories. We have been very interested in decorating our own 'sorry hands' to help make a Preschool sea of hands as talk about reconciliation week.

The Emus made a special visit to the yarnning circle together. When we visited, we all helped to say the Preschool Acknowledgement of Country and dance to our favourite Aunty Wendy songs - 'We're Korri Kids' and 'Red, Black and Yellow.'

The Wombats have been exploring natural materials and helping to make our own Aboriginal flags with counters and pompoms.

The children remembered the special colours of the flag - Red is for the land, Black is for the people and sky and yellow is for the sun.

Each day we also connect with country as we say our Preschool Acknowledgment of country: Thank you for the sky, And the birds that fly, Thank you Darug people for sharing you land.

Miss Natalie Roche and Mrs Sharon North
Early Childhood Teacher

Early Stage 1

KM have been so lucky to have Teddy Brown join their class for the fortnight!

They have written him letter and enjoyed many cuddles! We hope that the next lucky class enjoys him as much as we have!

Stage 1

1N

This past fortnight 1N continued their literacy work around the theme of cultural diversity and are now looking at persuasive texts.

The text of the week 'Remembering Lionville' fit perfectly with the timing of NAIDOC week 2021.

Students were able to make links between the text and the importance of the yearly event. They experimented with paint to create Aboriginal style dot paintings on a kangaroo template. Mr Nunan is very impressed with the level of interest and engagement students are demonstrating in learning about other cultures.

Mr D Nunan – Class Teacher

1G

Numeracy

Students in 1G use concrete materials to develop their early number sense. They roll two dice to make a two-digit number. One dice shows the value of 'tens' and the other shows the value of 'ones'. They then use numeral cards, a bead string, a hundreds chart and a number line to represent that number.

Literacy

Students in 1G enjoy reading with the teacher during guided reading sessions and have fun writing their spelling list using mini whiteboards and markers.

Students also participate in project-based learning that is linked to our English and technology programs. They use multiple sources of information such as high-quality texts and fact sheets to independently research countries of the world. This term they investigated Mexico, Morocco and India.

Stage 2 and 3

Term 2 in 3P

What an amazing term we have had in 3P!

Assembly item

Puppeteers at work!

3P had the pleasure of performing one of our favourite Aboriginal Dreamtime stories 'How the Birds got Their Colours'.

In this story, we were able to identify two habits from the 7 Habits of Highly Effective People. The first was Habit 1: Be Proactive, when a lone bird took initiative to help his friend. The second was Habit 6: Synergise, when the birds worked together to save the little bird and that is how the birds got their colours.

Maths

Greetings fellow mathematicians!

In 3P, we have been focusing on addition and subtraction using manipulatives.

We used playing cards to create up to four-digit numbers, and used MAB blocks to assist us with visualising these. We were then able to manipulate and regroup these numbers to solve addition and subtraction problems.

Physical Education

Let's get physical!

3P will be participating in a four-week athletics program that focuses on developing students' athletic skills, such as throwing, jumping, hurdling, and many more!

We had lots of fun in our first session and are looking forward to learning more about correct techniques. Look out world, athletes in the making!

Support Unit

Last fortnight, during shared reading in K-6 D, we read the book, 'Thanks, Mum!'. It motivated our kids to acknowledge their mothers for all that they do for them and to show their love and appreciation for them. We proceeded to make and gift all mums, beautiful bouquets enclosed with brief hand-written messages by the kids, expressing their love and gratitude for them. All mums will surely treasure these special cards.

K-6D has been engrossed in learning and enjoying every moment of it. We would love to invite you to catch a glimpse of some of the interesting and varied activities done in the class, during the past few weeks, including collaborative preparation of the class mission statement, learning and practising letter formations using shaving foam, a visit to the Yarning circle to discuss some school topics with friends from the next class, learning fractions in Mathematics by making pizzas and demonstrating the concepts of the whole, part, equal parts, half, halves, etc. and for fitness, doing Yoga following the 'yoga poses with animals and ocean animals', which is an absolute favourite activity for the kids.

In our class, we work hand in hand and always strive to do our BEST. Hope you enjoyed being a part of our journey of learning.

Mrs Sneha Dias - Class Teacher

K-6M

At Seven Hills West we have been discussing Reconciliation Week and examined our shared histories, cultures, and achievements. Reconciliation is a journey for all Australians – as individuals, families, communities, organisations and importantly as a nation. At the heart of this journey are relationships between the broader Australian community and Aboriginal and Torres Strait Islander peoples.

In K/6M we have talked about the history of Aborigines in Australia and created some special artworks.

Mrs M Moon – Class Teacher

Multicultural Perspectives Public Speaking Competition

Students in Stage 2 and Stage 3 prepared and delivered speeches in-class on various topics with a multicultural perspective as part of their speaking and listening program. Two students from each class were chosen to present at the school finals.

CONGRATULATIONS !! to our school finalists that will represent our school at our local finals to be held on the 8th of June at Blacktown North Public School.

Our winners were:

Stage 2: Ivy Young & Mahir Sheikh

Stage 3: Sanchana Gowrikaran & Monisha Khanom

Important Reminders

ALLERGY ALERT

In the interests of the health and safety of all our students please ensure that your child does not bring anything to school for recess or lunch which contains nut and/or egg products. This will include peanut butter or Nutella spread on sandwiches, peanut butter dippers, snack packs with nuts and nut muesli bars.

Your understanding and support in this very important health issue are greatly appreciated.

SCHOOL HOURS

Children **ARE NOT** to be at school BEFORE 8.30am each morning and **must be collected at 3.00pm** each afternoon. Should your child need to be at school EARLIER than 8.30am or need to be collected LATER than 3.00pm, it is necessary for you to arrange for your child to be taken to **Out of Hours School Care** that is located on our premises. This is run by Wesley Out of School Hours Care and their contact number is 9626 1260.

Positive Behaviour for Learning

Health and Safety Matters

As well as keeping our staff and students safe on school grounds we aim to maintain a safe environment for parents. If you have a slip, trip or fall or any other issue related to parent safety in the school grounds please notify the office as soon as possible so we can endeavour to identify and resolve any hazards.

It is also a request that dogs not be brought onto the school site without prior permission. Companion dogs are always welcome as required, however pets in the school can cause stress to students and animals.

Staff Car Park

A reminder to parents/caregivers. **The Staff car park IS NOT a 'walk through' area** or parking for area for parents.

Safety is of the utmost importance to our students and it would be appreciated if you would cooperate in regard to safety in our car park.

Student Toilets

Just a friendly reminder that student toilets are **not to be used** by parents. If parents have a younger child that requires toileting assistance, please see the office staff to access the toilets located beside the new school hall.

Student toilets are to be used by **students** of Seven Hills West PS.

Changes of Clothes

Children in Kindergarten to Year 2, can, on occasion, have an 'accident' by forgetting to go to the toilet at break time, or not advising the teacher that they need to go to the toilet.

This then results in children 'wetting' themselves and coming to the office for a spare change of clothes.

Our supplies are now depleted – so we ask that each parent with children in Kindergarten to Year 2 supply a change of clothing in their child's bag in case of emergencies.

Additionally – our supplies for Years 3-6 have also depleted (shorts/skorts/shirts/underwear).

Any donations of clothing (not jumpers) for students K-6 would be greatly appreciated.

We thank you for your support in this matter.

SHWPS Administration Office

Birthday Cakes

Until further notice – birthday cakes/lolly bags/party bags (including party favours bags) and **ANY shared foods ARE NOT permitted.**

We will keep you updated with when this can begin again.

Notes and Payments

Please be advised that all school notes and written communication are now placed on our website for your easy access. Families that have requested multiple copies will now need to access the website. We are encouraging the use of technology @ SHWPS!

Important

It would be appreciated, if when completing permission notes, you could include **the child's FULL NAME (Given Name and Surname) AND CLASS**, in order for the office to correctly identify the student who is participating in the special activity.

Sending money to school

If paying by cash or cheque, payment envelopes are available to allow office staff to quickly record details for our students.

A reminder: A permission note must be completed for every student in the family for all activities. Please note the office does not carry change. Please provide the correct money with your payments. We encourage families to pay using our POP – Payment online system via our school website.

Collection of Money and Permission Notes

To ensure that students' needs are met on excursions, extra curricula activities and for visiting performances, it is necessary to have procedures in place regarding payments and permission notes. These procedures allow teachers to:

- Ensure that the correct number of teachers are allocated to an activity or excursion
- Buses are ordered for the right number of students
- Book correct numbers for all activities on excursions
- Organise supervision for students not involved in these activities
- Cancel activities if numbers are too low, within a reasonable timeframe.

It will also allow the office staff to have correct numbers, permission notes and money organised before the day of the activity or excursion.

These procedures include any area where money is paid to the school e.g. Excursions, visiting performances, sporting events, book club etc.

For this to be implemented correctly all money must be paid to front office by the DUE DATE, there will be no exceptions.

Permission notes, fully completed with child's name and class, must be given to the front office once you have made your payment online, or at the same time as money is presented.

In cases of financial hardship, the school *may* be able to assist by contributing a part payment.

Please contact the office for more information.
