Respectful, Safe, Responsible Learners

Plastic and Glass Bottle Fundraising

Dear Parent/Caregiver,

Seven Hills West Public School SRC are collecting plastic and glass bottles to raise money for their new STEM room to buy valuable resources through the Return and Earn scheme. This STEM room will provide students to undertake challenges through Science, Technology, Engineering and Mathematics.

Most drinks containers between 150ml and three litres can get you a refund. They need to be in good condition (not broken or crushed), be empty and have the label attached.

The containers can be made of:

- Glass;
- Plastic;
- Aluminium;
- Steel;
- Or liquid paperboard (cartons).

Simply rinse out the containers and bring them to school and place them in the collection containers provided for each class. There will be a competition to see which class brings in the most containers.

This will be an ongoing fundraising effort as the resources will need to be replenished so keep the containers coming.

Thank you for your ongoing support
