Respectful, Safe, Responsible Learners

Living Eggs

Monday, 27th August 2018 – Friday 7th September 2018

Dear Parents/Caregiver,

To begin our learning about animals that live on the farm before our excursion to Calmsley Hill Farm, our pre-schoolers will be participating in the Living Eggs Program. We will receive 10 eggs on Monday 27th August and be able to observe them hatch under an incubator, then care for them as they grow and change during their 2 week stay. The Living Eggs Program provides the children with an opportunity to learn about the life cycle of a chicken through hands-on experiences. The children will learn about and be involved in feeding, handling and caring for the chicks in a safe learning environment.

Date: Monday 27th August- Friday 7th September 2018

Where: This program will run in the Preschool classroom

Cost: \$5.00

Please sign the permission note below and return with payment to the office by **Friday 17th August 2018**

This activity has the approval of the Principal.
