2019 ANZAC Care Package Appeal

Dear parents and caregivers,

This year **Seven Hills West Public School** will be showing our appreciation to the men and women serving in the Australian Defence Force by creating and sending care packages to defence members serving overseas.

We are asking members of our school and wider community, to donate an item/s for our service men and women. Below are some suggestions for you to choose from depending on what stage your child/children are in. Please bring these items to the office and place in the labeled tub provided. Students will also be writing letters to add into the care packages in class.
