

Seven Hills West Public School

Respectful, Safe, Responsible Learners

Amazing Ants Incursion

Tuesday 2nd April, 2019

Dear Parents and Caregivers,

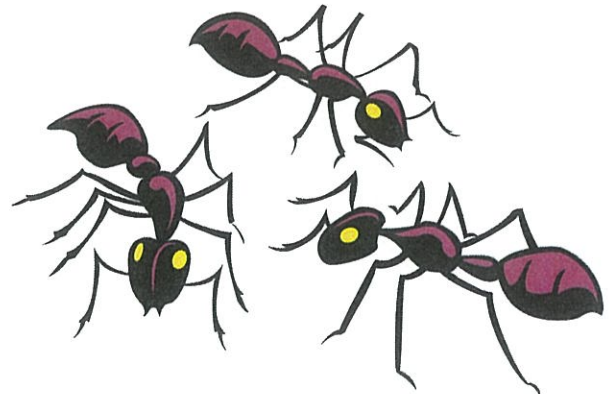

In line with Early Stage One's Science Unit, 'Living Things', Preschool and Kindergarten will be attending an incursion based on the subject 'Amazing Ants' hosted by *The Botany Bay Environmental Education Centre*.

Date:	Tuesday 2 nd April, 2019
Where:	Seven Hills West Public School School Hall – On school premises
Time:	11:30am – 12:30pm
Cost:	No Cost

Students will participate in an interactive video conference where they will explore the amazing world of ants that live in their school grounds. Students will sing a song together and learn about the importance of ants, their features and habitats and how to safely collect them. During the video conference, students will also have the opportunity to meet scientists that will explain their work with ants!

Attendance at this event is dependent upon behaviour and is at the discretion of the school executive.

This activity has the approval of the Principal.
