## Stage 1 Excursion

Dear Parent/Caregiver,

Stage 1 will be attending an excursion to 'Field of Mars' Environmental Education Centre as part of their Science Unit, "Schoolyard Safari". The purpose of this visit is to apply an understanding of the needs and habitats of living things. Students will be given the opportunity to go on a bushland safari and explore the amazing diversity of invertebrates that can be found in the bush!

Students will work cooperatively to investigate what invertebrates live in the branches and what invertebrates live in leaf litter. Special features and adaptations of the invertebrates will be observed and explained. Students will then have the opportunity to use paper clay to create small clay models of invertebrates based on their observations.

Students will need to bring **their recess and lunch, along with a water bottle** in a labelled plastic bag. All students must be in school uniform and wear their school hat.

<b>Date:</b>	Tuesday 2 <sup>nd</sup> April 2019
<b>Where:</b>	Field of Mars Education Centre, Pittwater Rd, East Ryde.
<b>Time:</b>	Students <b>MUST be at school by 8:30am</b>
<b>Cost:</b>	\$ 35.00
<b>Transport:</b>	Students will travel there and back by bus

Please sign the attached permission note and **return it with payment to the office by 22<sup>nd</sup> March 2019.**

This activity has the approval of the Principal.
