

Seven Hills West Public School

Respectful, Safe, Responsible Learners

Dear Parent/Caregiver,

As the end of year quickly approaches, we would like to take this opportunity to thank you for all the support and understanding from both you and your children throughout what has been an unprecedented year.

Your children have shown strength of character and resilience and you should be proud of them.

In a year where we have been unable to go on excursions, camp or even have school assemblies, your children have still managed to flourish.

As a farewell and celebration, Support classes will be having individual class party days next Tuesday 15th December. Due to Covid 19 safety regulations, children are unable to bring in food to share.

We will, however, be supplying hot food and a small treat for each child. Children are able to bring in their own individual drink of choice and a small treat bag of their own to have during party time.

The classes will also be watching a movie on this day that has a PG rating. Children are also encouraged to bring in any board or card games on this day to play with their friends.

It would be fabulous if your child could contribute a gold coin towards the cost of the hot food and treat that will be provided on the day.

Wishing you all a safe and happy holiday period.

Please fill in the slip below if you **DO NOT** want your child to participate in this day.
