

Seven Hills West Public School

Respectful, Safe, Responsible Learners

The Living Eggs Program
Monday, 26th October – Friday 6th November 2020

Dear Parents and Carers,

Our unit of inquiry has been around Spring. We noticed the increase of flowers and birds in our environment. This led into a discussion about the life cycle of a Chick. The Living Eggs Program will deliver 10 eggs in an incubator.

Learning Outcome: Children will have the opportunity to learn about the life cycle of a chicken through hands- on experiences. The children will observe Chicks hatching and growing. They will be involved in feeding, handling and caring for the chicks in a safe learning environment.

When	Monday, 26 th October – Friday 6 th November 2020
Where:	Seven Hills West Public School Preschool
Cost:	\$8.50
Payment Due:	Friday 16 th October 2020

Payment online via this website <https://sevenhillw-p.schools.nsw.gov.au/> and click "make a payment" from the top toolbar.
