

# Seven Hills West Public School

Respectful, Safe, Responsible Learners

## Welcome Back 1G, 1H, 1/2M, 2S & 2/3P

Dear Parents and Caregivers,

From Week 3, students will receive personalised learning, where face-to-face support will be provided in completing Home Learning Pack activities.

### Learning Packs and In-School Learning Opportunities

Learning packs for Phase 1 will focus on a five-day matrix where students will continue to learn from home on these daily activities beginning Term 2, Week 3. Students in each class will be assigned one day a week to come into the classroom where they will receive personalised guidance and learning opportunities to support them in completing the activities. All Home Learning Packs will be collected and marked for assessment and reporting purposes.

### Students Face- to -Face Allocated Day

Your child has been allocated a compulsory face-to-face day at Seven Hills West Public School. If your child is unwell they must remain at home. If your child is absent on their allocated day, an explanation of their absence **must** be provided to the school.

### 1G, 1H, 1/2M & 2S Online Learning Platform

Students in 1G, 1H, 1/2M and 2S will continue to use Seesaw as their online learning and communication platform where activities will be posted to support Home Learning Pack activities. Seesaw is a great place to network with the teachers involved in your child's learning.

Parents/Caregivers received their personalised Seesaw login by their child's classroom teacher in Term 1. If you have misplaced your login details, please contact your child's classroom teacher on (02) 9622 2136.

### 2/3P Online Learning Platform

Students in 2/3P will continue to use Edmodo as their online learning platform where activities will be posted to support their Home Learning Pack and allow for communication between the teachers involved in your child's learning.

Students in 2/3P received their personalised login created by their classroom teacher. If your child has misplaced their login details, please contact the classroom teacher, as it is not necessary to make a new login each time a student or parent logs in to Edmodo. Parents are encouraged to join Edmodo if they have not already to stay up to date with their child's learning, using the **class code: yqrpqm**.

### Contacting Families

Classroom teachers will be contacting families each week to discuss their child's progress of the Home Learning Pack and to answer any questions or queries that may arise. Parents/Caregivers are also encouraged to contact their child's classroom teacher through their online learning platform using private message.

Thank you for your ongoing support.

Kind regards,

Ms Shanti Clements  
Principal
