High School Expression of Interest Form – Placement in Year 7 2022 in a NSW Government School

Dear Parents/Carers,

Today your child will be bringing home information regarding moving into Year 7 in a NSW Government school in 2022. It is important that you read this information carefully and **return your Expression of Interest to Seven Hills West Public School by Friday, 19 March 2022.**

Your child is entitled to a place at your designated local government high school. This school is based on your home address, so please ensure that your contact details are up to date.

If you are seeking placement at **your designated local government** high school:

- Complete Section A by completing your child's personal details and signing the declaration.
- Sign Section B and return the form to our office.

If you are seeking placement at a school **that is not your designated local government** high school:

- Complete Section A by completing your child's personal details and signing the declaration.
- List up to three schools in order of preference in Section C.
- Provide reasons for seeking non-local placement in Section C on pages 6 – 7 (see page 3 for further information). Any information (such as a covering letter) should not be addressed to a specific high school. This is because if your child is unsuccessful in gaining a position in the high school nominated as their first choice, then the information is forwarded directly by that high school to the second choice high school.

If you have applied for an **academically selective** school:

- Complete Section A by completing your child's personal details and signing the declaration.
- Tick the box in Section D.
- Complete Section B, C or E in case your child is not successful in gaining a place at a selective school.

If your child will be attending a **non-government high school** in 2022:

- Complete Section A by completing your child's personal details and signing the declaration.
- Complete Section E.

Please note that specialist schools, schools with specific programs and placement panels for enrolment in non-local schools will have additional application requirements. You may need to contact the selected school for further information. Your child's current classroom teacher is able to provide a school reference if required.

If you have any questions about the high school expression of interest process, require a translated information guide, or would like assistance to complete the form, please contact the school.

Kind regards,

Ms S Clements
Principal
