Bus travel for 1st and 2nd Choir Day Rehearsals at Lynwood Park Public School travel

Dear Parent/Caregiver,

Your child has been participating in our school choir group for the Blacktown Festival of Performing Arts (BFoPA).

The BFoPA holds a night performance annually. The performance includes dance groups and a combined choir. The combined choir is a large choir that is made up of individual school choir groups from our local area. To prepare for the night performance, students from all schools join together as a combined choir and need to attend 3 day rehearsals. The **1st and 2nd** day rehearsals will be held at Lynwood Park Public School and will require bus travel to and from school. The 3rd day rehearsal will be on the same day as the night performance (venue is yet to be confirmed).

This note is to ask for payment for bus travel to attend the **1st and 2nd day rehearsals at Lynwood Park Public School only** with an expectation that your child will also attend the 3rd day rehearsal and performance night (there will be a note regarding the 3rd day rehearsal, cost and performance night closer to the event as these are on the same day).

For your calendar, please note that the BFoPA 3rd day rehearsal and performance night will be on Monday 30th August.

It is important that you are aware that **you will need to arrange travel** for your child **to and from the venue on the night** of the performance. Miss Gatt will be waiting there for your child to arrive at approximately 6pm. Tickets will be available for you to purchase should you wish to stay and watch the show as an audience member. This is encouraged as it will make it easy for you to pick up your child and the show will be fabulous and one to remember.

During the performance your child will be supervised by Miss Gatt and **picked up by you at the end of the night**. Further details about the 3rd day rehearsal and performance night will be given closer to the date. The details of the **1st and 2nd day rehearsals at Lynwood Park** are as follows:

2nd Choir Day Rehearsal 2 – Wednesday 11th August
