

Seven Hills West Public School

Respectful, Safe, Responsible Learners

Stage 1 - Recyclable and Craft Materials for Miniature 3D Playground

Dear Parent/Caregiver,

In our Transdisciplinary unit, your child has been learning about the features of, and activities in places and why they are important. Students will be making a miniature 3D playground and need your help to collect recyclable and craft materials. This note is to ask for you to collect 'essential' and 'extra' recyclable and craft materials. Please see list of recyclable and craft materials below:

Essential

- 1 large thick sturdy piece of cardboard (used for base/foundation of playground)
- Cardboard tubes
- Plastic bottle tops
- Cardboard boxes (tissue, cereal, shoe etc)
- PVA glue
- Popsicle sticks
- Pipe cleaners

Extra

- Cardboard cartons
- Straws
- Plastic bottles
- Plastic cups (yoghurt, party etc)
- Any other craft and recyclable materials

For safety and hygienic reasons **DO NOT send in toilet rolls, glass materials and tin or aluminium cans.** Please make sure recyclable materials are washed and clean ready to use. Stage 1 teachers will have a small supply of craft and recyclable materials for children who are unable to collect materials from home. Please send materials in a plastic shopping bag labelled with your child's name in by **Monday 20th of June.**

This activity has the approval of the Principal.
