Respectful, Safe, Responsible Learners

K-6 Transdisciplinary Curriculum

'Where We Are in Place and Time' Showcase

Tuesday 28th June - Kindergarten to Year 6

Dear Parents and Caregivers,

To celebrate the great learning happening at Seven Hills West Public School, we will have a showcase displaying our Transdisciplinary Curriculum projects throughout the school. Students have been engaging in inquiry learning about the theme 'Where We Are in Place and Time' which includes learning in place and time; personal histories; homes and journeys; the discoveries, explorations, and migrations of humankind; the relationship between and the interconnectedness of individuals and civilizations, from local and global perspectives. Parents are invited to visit their child's classroom to view their child's culminating project.
