STUDENTS NOT RETURNING IN 2023

Dear Parents

To start organising our classes for 2023, we need to confirm our student enrolment numbers for next year.

If your child/ren is **NOT** returning in 2023, can you please scan the QR code below and complete the survey by next **Friday 21st October 2022**.

Please note that this is not necessary for Year 6 students going into High School next year.

Sincerely,

Ms S. Clements
