

# Seven Hills West Public School

Respectful, Safe, Responsible Learners

## LOG INTO SENTRAL PARENT PORTAL

Dear Parents/Caregivers

We would like to confirm that the Schoozine/Szapp has now ceased operation.

Seven Hills West PS will now be communicating with the community through the new Sentral parent portal.

'Keys' (a **unique number** for each parent - and the way to register on parent portal linked to your child/ children) have been sent to your email address on our records.

Kindly follow the instructions and upload the Sentral parent portal and log into this asap.

If you are having issues, please contact the school so we can assist you.

It is imperative that you log onto the portal as this is the new way we will be communicating with parents, as well as an easier way for parents to communicate with your school; direct contact for absences; payments; receiving reports etc.

We are hopefully, in the future, be able to become totally paperless and more streamlined in our communications.

Kind regards

Ms S Clements

Principal
