

Seven Hills West Public School

Respectful, Safe, Responsible Learners

K-6 Transdisciplinary Curriculum

'How We Structure Our World' Showcase

Thursday 19th October- Kindergarten to Year 6

Dear Parents and Caregivers,

To celebrate the great learning happening at Seven Hills West Public School, we will have a showcase displaying our Transdisciplinary Curriculum projects throughout the school.

This past term, students have delved into the theme 'The Art of Structuring Our World.' This adventure entails a Learning Quest aimed at understanding and unravelling the intricate web of man-made systems and communities.

Students have navigated through the intricacies of organisational structures, societal decision-making, economic activities, and their consequences on both humanity and the environment. Along the way, they've honed their abilities in leadership, management, and coordination.

We extend a warm invitation to parents to join us in the classroom and witness the impressive culminating projects their children have crafted.

Date:

Thursday 19th October - Kindergarten to Year 6

Time:

9.00am-10.30am – parents to classrooms

10:30am - 11:30am - morning tea

Dress Code:

Full school uniform

Venue:

K-6 Classrooms

After the display, we invite parents to join us in our hall for a morning tea.

This event has the approval of the Principal.
